

SENATOR CAVANAUGH: I'll ask for unanimous consent.

Mr. President, your enrolling Clerk reports that she did present to the Governor LB 150, 187, 187A. Signed, Barbara Jackson, Enrolling Clerk.

Senator Dworak. 423

SENATOR DWORAK: Mr. President, I move the adoption of the amendments to LB423, E & R amendments.

PRESIDENT: You've heard the motion. Any discussion? The question is the adoption of the amendments. All in favor say aye, contrary nay. The amendments are adopted.

CLERK: Mr. President, there are some amendments pending on 423 offered by Senator Koch. They are amendments found on page 1577 of the Legislative Journal. Read amendments.

PRESIDENT: Senator Koch.

SENATOR KOCH: Mr. President, members of the body. We've had considerable debate on LB 423, the merits and demerits of the bill. If the Omaha Public School District is to go to a district type of election for their board members then I believe that the constituents and patrons of that school district should have the privilege of voting on whether or not they believe that this is the meritorious way of pursuing the goals of education. My amendment, I think, is explicit. It says the Board of Education shall place before the constituents of Omaha this issue for their vote. If they vote in the affirmative then the Omaha Board of Education would have to district themselves and would carry on their elections by that method. If they vote to the negative then the Omaha Board of Education would serve at large as they have since the early 1900's.
